

Rockingham Landrovers February & March Newsletter

Welcome everybody to our February and March Newsletter

With 'Turkey and Tinsel' now just a distant memory, all of us here at Rockingham Landrovers are now in the 'full swing' of 2010, busy preparing for the months ahead. In a matter of a few weeks Easter will be upon us! (*did we need reminding! ha ha*) –and lots of us will be planning breaks away in our vehicles, so why not check out our special offers over the page to help get you up and running safely but without breaking the bank!

We service Land Rovers from 1950 right up to the 2009 models and because we have the genuine Land Rover T4 Diagnostic machine and other specialist tools, we are approved to service and repair your Land Rover even if it is still under warrantee.

We Supply & Fit Tyres
We have got some fantastic deals on offer at the yard with makes such as General Grabber, Enduro & Goodyear from as little as £70 per tyre.

Approved Stockists

We are happy to announce that we have been appointed as an authorised parts and accessory dealer for **Terrafirma** (Serious 4x4 Accessories). Terrafirma has become one of the most recognized 4x4 accessory brands in the world and we are delighted to be able to offer all of you this opportunity to purchase these parts locally. To satisfy the requirements of Land Rover owners both on and off-road we can now offer an amazing selection of accessories. In particular the **Terrafirma** suspension, including the largest range of upgrade shock absorbers, steering dampers, coil springs and suspension hardware.

We have a special offer on in the stores for a great all rounder, the **Terrafirma Pro Sport** shock - this is a favourite of ours – from the construction site to the motorway, running light or fully loaded, simply replacing tired old shocks or heading off-road, you can't go wrong. Check out our online shop for more info on what's available or call in for your free catalogue.

Simon Says.....

You do not have to pay the earth for quality and value for money. Take the service offers in this newsletter, you know that if you have your vehicle serviced at Rockingham Landrovers then you will get a quality job done at a value for money price. No need to go to the 'stealers' (main dealers) and pay twice as much! Rockingham Landrovers will service using their special Land Rover authorised T4 diagnostic equipment so that your warranty will not be affected.
