ENLROC - East Northants Land Rover Off Road Club

Wednesday 14th July saw some of the Rockingham staff at 8 o'clock in the evening, standing in a rather windy and damp car park at Billing Aquadrome. The purpose for this you might be asking? well for the last few years we have been invited by the East Northants Off Road Club to judge their annual 'Polish & Pose' event – and we love it !!!

The evening itself consists of club members bringing their Land Rovers along and entering them into different categories, including best Leaf Spring, best Conversion, best Discovery and our favourite, best Shed !!

We had a fantastic evening – they are a great group to be involved with. The club organises loads of fun days and regular meetings, so if you enjoy your Land Rover and want to spend some time with other like minded people, why not get in touch– you never know, we could be giving you first prize next year !

Welcome to our August & September Newsletter

The good old British Summer is finally here and by the time you are reading this 'school will be out' for the Summer and many of you (and us here at Rockingham) will be busy packing , ready for our Summer Holidays! Yippee!!

Apart from Christmas, this is one of the most expensive times of the year for most of us, so we have included some great money saving offers to help keep your Land Rover in tip-top condition for those extra miles it will cover over the next few weeks. Give yourself a few minutes to look at the Specials from the Workshop - with Cambelt changes at £150 + vat and a Health Check for your vehicle at £50+ vat , they are well worth taking advantage of.

All that remains to say is
'HAPPY HOLIDAYS'

We supply and fit tyres too, call us for a competitive quote

SIMON SAYS

24 hour shopping for those with the internet is now very much an easy thing to do. Whether it be groceries from Sainsbury and Tesco, DVD and books from Amazon or even Land Rover parts from Rockingham Landrovers we just take it all for granted.

Opening later on Thursdays will give you a chance to pop down after you've finished work and get your Land Rover essentials or you can still buy from the on-line shop and have them delivered! But despite 24 hour shopping there's no substitute for the personal service that you get from actually talking to someone knowledgeable and that's of course what Rockingham Landrovers prides itself in.
